

SCRIPTURE ABOUT HEALTH – HEALING – LONGEVITY

Scripture compiled by Laurie Jean Ellis

There are multiple scriptures communicating God's desire for His children to be in good health. It is repeatedly recorded in scripture that God is a God of healing. In fact, there are 141 scriptures in the Bible about God's desire to heal His children and healings that took place.

As you read about healings that took place in the Bible, you will notice the individual had a part to play to receive God's healing. Read Mathew 9:20-22. This is the record about the woman, who was diseased with an issue of blood (bleeding disorder) for 12 years. She believed if she touched Jesus' garment, she would be whole (healed). When she touched Jesus' garment, he turned and said to her, "Daughter, be of good comfort; your faith [believing] has made you whole." Believing is a verb. Verbs are action words. Believing the word of God and acting on it, produces results.

God is serious about the health of His children. But that is not all! God wants His children to live long lives. As you read the following scriptures about long life, you will notice actions that help support God's desire for long life: 1) Stay in fellowship with God; and 2) study God's word [give attention to], remember His word [do not forget], and keep them [God's word] in the midst (middle) of your heart [Proverbs 3:1-2, 4:20-22].
